is a sacred responsibility and a rewarding experience. This publication describes a leadership philosophy that speaks to who we are as Marines. It is about the relationship between the leader and the led. It is also about the bond between all Marines that is formed in the common forge of selfless service and shared hardships. It's in this forge where Marines are hardened like steel, and the undefinable spirit that forms the character of our Corps is born. It draws from shared experiences, hardships, and challenges in training and combat. Leading Marines is not meant to be read passively; as you read this publication, think about the material. You should reflect on, discuss, and apply the concepts presented in this publication. Furthermore, it is the responsibility of leaders at all levels to mentor and develop the next generation of Marine leaders.

Marine Corps Manual. 1940

**Combating Tobacco Use in**

**Military and Veteran Populations**

Institute of Medicine 2009-11-21

The health and economic costs of tobacco use in military and veteran populations are high. In 2007, the Department of Veterans Affairs (VA) and the Department of Defense (DoD) requested that the Institute of Medicine (IOM) make recommendations on how to reduce tobacco initiation and encourage cessation in both military and veteran populations. In its 2009 report, *Combating Tobacco in Military and Veteran Populations*, the authoring committee concludes that to prevent tobacco initiation and encourage cessation, both DoD and VA should implement comprehensive tobacco-control programs.

*Merchant Mariner Medical Manual - COMDTINST*

*M16721.48 (August 2019)* United States Coast Guard 2020-03-08

PURPOSE. This Manual provides

guidance for evaluating the physical and medical condition of applicants for merchant mariner medical certificates. The guidance in this Manual should assist medical practitioners, the maritime industry, individual mariners, and U.S. Coast Guard (hereinafter, Coast Guard) personnel in evaluating an applicant's physical and medical status to meet the requirements of References (a) through (d).

2018-09-17 Since our 31st

Commandant, General Charles C.

Krulak, first published Marine

Corps Reference Publication

6-11D, Sustaining the

Transformation, in 1999, the

Marine Corps has continued our

proud tradition of making

Marines, winning battles, and

returning quality citizens to

society. Like all previous generations, Marines today are equally as committed to our time-honored values of honor, courage, and commitment.

Marines of the 21st century are among the finest we have ever forged; it is every Marine's duty to sustain that rich legacy.

America trusts its Corps of Marines-we must always strive to preserve that trust. The

Marine transformation is forever ingrained in our DNA, from

recruit training to Officer

Candidates School and throughout

the rest of our lives. The

transformation to becoming a

Marine is often the defining

moment in a person's life.

your command. The purpose of your actions should be to preserve the legal situation until you can consult with your servicing Judge Advocate. However, like most aspects of your command responsibilities, you can fail if you just wait for things to come to you. You need to be proactive in preventing problems before they occur. In the legal arena, this means establishing and enforcing high standards, ensuring your Soldiers are fully aware of those standards and properly trained to comply with them. You must also properly train your Soldiers on all Army policies and higher level command standards so that they also understand and comply with them. Soldiers must also be well-versed in the Army Values and be able to apply those values to real- world situations, which will usually keep them well within legal bounds. Topics include: THE TOP TEN SITUATIONS WHERE YOU

SHOULD IMMEDIATELY CONSULT YOUR SERVICING JUDGE ADVOCATE MILITARY JUSTICE/CRIMINAL LAW Introduction to Military Criminal Law Misconduct: Options and Duties Of The Commander Unlawful Command Influence R.C.M. 303 Preliminary Inquiry Non-Judicial Punishment, Article 15, UCMJ Article 15 Script Search and Seizure Self-Incrimination, Confessions, and Rights Warning UCMJ Punitive Articles Urinalysis, Drug and Alcohol Policies Fraternalization and Improper Senior-Subordinate Relationships Proper Responses to Reports of Sexual Assault Victim -Witness Issues INVESTIGATIONS Administrative Investigations/References Intro AR 15-6 Investigations Accident Investigations (AR 385-10) Line of Duty Investigations (AR 600-8-4) Fatal Training/Operational Accident Presentations to Next Of Kin

**The U.S. Army/Marine Corps  
Counterinsurgency Field Manual**

John A. United States Army

2008-09-15 When the U.S.

military invaded Iraq, it lacked a  
common understanding of the  
problems inherent in

counterinsurgency campaigns. It

had neither studied them, nor

developed doctrine and tactics to

deal with them. It is fair to say

that in 2003, most Army officers

knew more about the U.S. Civil

War than they did about

counterinsurgency. The U.S.

Army / Marine Corps

Counterinsurgency Field Manual

was written to fill that void. The

result of unprecedented

collaboration among top U.S.

military experts, scholars, and

practitioners in the field, the

manual espouses an approach to

combat that emphasizes constant

adaptation and learning, the

importance of decentralized

decision-making, the need to

understand local politics and

customs, and the key role of  
intelligence in winning the

support of the population. The

manual also emphasizes the

paradoxical and often

counterintuitive nature of

counterinsurgency operations:

sometimes the more you protect

your forces, the less secure you

are; sometimes the more force

you use, the less effective it is;

sometimes doing nothing is the

best reaction. An new

introduction by Sarah Sewall,

director of the Carr Center for

Human Rights Policy at

Harvard's Kennedy School of

Government, places the manual

in critical and historical

perspective, explaining the

significance and potential impact

of this revolutionary challenge to

conventional U.S. military

doctrine. An attempt by our

military to redefine itself in the

aftermath of 9/11 and the new

world of international terrorism,

will play a vital role in American military campaigns for years to come. The University of Chicago Press will donate a portion of the proceeds from this book to the Fisher House Foundation, a private-public partnership that supports the families of America's injured servicemen. To learn more about the Fisher House Foundation, visit [www.fisherhouse.org](http://www.fisherhouse.org).

*Manuals Combined: USN/USMC Commander's Quick Reference Legal Handbook 2015, 2012 and 2009 Editions And The USMC Senior Enlisted Leader Smart Packet (2016)* Sample text: NCIS

REPORTING AND MILITARY JUSTICE INVESTIGATIONS

REFERENCES: (a) MCM (RCM 303) (b) JAGMAN (Chapter II) (c) SECNAVINST 5430.107 (series) (d) SECNAVINST 1752.4A (series) (e) DODI 6495.02

COMMAND INQUIRY:

Suspected offenses may come to command attention in a variety of ways (e.g., shore patrol, civil

law enforcement, or phone call, etc.) The commanding officer (CO) must conduct some form of inquiry into reported offenses that may be tried by court-martial per reference (a). The degree of inquiry will depend on the nature, validity, and seriousness of the complaint. See reference (b). MANDATORY REFERRAL TO NCIS: Reference (c) mandates that certain incidents be referred to NCIS whether occurring on or off base and regardless of civilian investigation involvement. These incidents include: Actual, suspected, or alleged major criminal offenses (punishable under the Uniform Code of Military Justice (UCMJ) by more than 1 year of confinement); Non-combat deaths when the cause of death is not medically attributable to disease or natural causes; Fires or explosions of unknown origin affecting Department of the Navy (DON) property or property under DON

on June 29, 2022 by guest*

control; Theft or loss of ordnance or controlled substances; Disappearance of a command member; All instances of suspected fraud against the government within DON (e.g., theft of government property, bribery, false claims for pay, etc.); actual or suspected acts of espionage, terrorism, sabotage, assassination, and actual, suspected, or attempted defection of DON personnel; Internal security incidents, such as loss, compromise, or suspected compromise of classified information and national security cases; and Suspected sex-related offenses as defined under Articles 120 and 125 of the UCMJ.

**WHEN NCIS DECLINES TO INVESTIGATE:** NCIS may, at its discretion, decline to conduct or continue any investigation, but shall expeditiously inform the effected command. A command may then request assistance from the local base security department or appropriate

authority or pursue a command investigation pursuant to reference (a).

*The Armed Forces Officer*  
Richard Moody Swain In 1950, when he commissioned the first edition of *The Armed Forces Officer*, Secretary of Defense George C. Marshall told its author, S.L.A. Marshall, that "American military officers, of whatever service, should share common ground ethically and morally." In this new edition, the authors methodically explore that common ground, reflecting on the basics of the Profession of Arms, and the officer's special place and distinctive obligations within that profession and especially to the Constitution.

**The Noncommissioned Officer and Petty Officer** National Defense University Press 2013-12  
Full color publication with photographs. A first of its kind, this book-of, by, and for the noncommissioned officer and petty officer-is a comprehensive

*on June 29, 2022 by guest*

explanation of the enlisted leader across the U.S. Armed Services. It complements *The Armed Forces Officer*, the latest edition of which was published by NDU Press in 2007, as well as the Services' NCO/PO manuals and handbooks. Written by a team of Active, Reserve, and retired senior enlisted leaders from all Service branches, this book defines and describes how NCOs/POs fit into an organization, centers them in the Profession of Arms, explains their dual roles of complementing the officer and enabling the force, and exposes their international engagement. As Chairman of the Joint Chiefs of Staff General Martin E. Dempsey writes in his foreword to the book, "We know noncommissioned officers and petty officers to have exceptional competence, professional character, and soldierly grit—they are exemplars of our Profession of Arms." Aspirational and fulfilling, this book helps prepare young

men and women who strive to become NCOs/POs, re-inspires serving enlisted leaders, and stimulates reflection by those who have retired from or left active service. It also gives those who have never worn the uniform a better understanding of who these exceptional men and women are, and why they are properly known as the "Backbone of the Armed Forces."

**Marine Corps Policy Concerning Pregnancy and Parenthood**

Department Navy 2013-05-17

The purpose of this publication is to revise Marine Corps policy and procedures for pregnant Marines and naval personnel.

2019-07-19 Foreign Humanitarian Assistance, Joint Publication 3-29, 14 May 2019 This publication provides fundamental principles and guidance to plan, execute, and assess foreign humanitarian assistance operations. This publication has been prepared under the direction of the Chairman of the Joint Chiefs of Staff (CJCS). It sets forth joint doctrine to govern the activities and performance of the Armed Forces of the United States in joint operations, and it provides considerations for military interaction with governmental and nongovernmental agencies, multinational forces, and other interorganizational partners. Why buy a book you can download for free? We print the paperback book so you don't have to. First you gotta find a good clean (legible) copy and make sure it's the latest version (not always easy). Some documents found on the web are missing some pages or the image quality

is so poor, they are difficult to read. If you find a good copy, you could print it using a network printer you share with 100 other people (typically its either out of paper or toner). If it's just a 10-page document, no problem, but if it's 250-pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. It's much more cost-effective to just order the bound paperback from Amazon.com This book includes original commentary which is copyright material. Note that government documents are in the public domain. We print these paperbacks as a service so you don't have to. The books are compact, tightly-bound paperback, full-size (8 1/2 by 11 inches), with large text and glossy covers. 4th Watch Publishing Co. is a HUBZONE SDVOSB. <https://usgovpub.com> *The Military Justice System* United States. Air Force ROTC. 1962 "This text is designed to

give the advanced Air Force ROTC student an over-all view of the military justice system, of how it operates in the Air Force, and of the general responsibilities of those in 'authority or command' who must administer the system. And, above all, it is hoped that the text will engender a feeling that military justice is directly, intimately, and essentially concerned with human conduct - rather than with arbitrary rules, legalistic distinctions, and inflexible classifications"--Pref.

**Air Force Handbook 10-644  
Survival Evasion Resistance  
Escape Operations, 27 March 2017**

United States Government Us  
Air Force 2017-06-06 Air Force  
Handbook 10-644 Survival  
Evasion Resistance Escape  
(SERE) Operations 27 March  
2017 This handbook describes the  
various environmental conditions  
affecting human survival, and  
describes isolated personnel (IP)  
activities necessary to survive

during successful evasion or  
isolating events leading to  
successful recovery. It is the  
fundamental reference document  
providing guidance for any  
USAF service member who has  
the potential to become isolated;  
deviations require sound  
judgment and careful  
consideration. This publication  
provides considerations to be used  
in planning and execution for  
effective mission accomplishment  
of formal USAF Survival,  
Evasion, Resistance, and Escape  
(SERE) training,  
environmentally specific SERE  
training, and combat survival  
continuation training programs.  
The tactics, techniques, and  
procedures in this publication are  
recognized best practices  
presenting a solid foundation to  
assist USAF service members to  
maintain life and return with  
honor from isolating events.

2000

**Call Sign Chaos** Jim Mattis  
2021-03-02 #1 NEW YORK  
TIMES BESTSELLER • A clear-eyed account of learning how to lead in a chaotic world, by

General Jim Mattis—the former Secretary of Defense and one of the most formidable strategic thinkers of our time—and Bing West, a former assistant secretary of defense and combat Marine. “A four-star general’s five-star memoir.”—The Wall Street Journal  
**Call Sign Chaos** is the account of Jim Mattis’s storied career, from wide-ranging leadership roles in three wars to ultimately commanding a quarter of a million troops across the Middle East. Along the way, Mattis recounts his foundational experiences as a leader, extracting the lessons he has learned about the nature of warfighting and peacemaking, the importance of allies, and the strategic dilemmas—and short-sighted thinking—now facing our nation. He makes it clear why America must return to a strategic footing so as not to continue winning battles but fighting inconclusive wars.

Mattis divides his book into three  
*Downloaded from*  
[museums.marinet.lib.ca.us](https://museums.marinet.lib.ca.us)  
*on June 29, 2022 by guest*

parts: Direct Leadership, Executive Leadership, and Strategic Leadership. In the first part, Mattis recalls his early experiences leading Marines into battle, when he knew his troops as well as his own brothers. In the second part, he explores what it means to command thousands of troops and how to adapt your leadership style to ensure your intent is understood by your most junior troops so that they can own their mission. In the third part, Mattis describes the challenges and techniques of leadership at the strategic level, where military leaders reconcile war's grim realities with political leaders' human aspirations, where complexity reigns and the consequences of imprudence are severe, even catastrophic. Call Sign Chaos is a memoir of a life of warfighting and lifelong learning, following along as Mattis rises from Marine recruit to four-star general. It is a journey about learning to lead

and a story about how he, through constant study and action, developed a unique leadership philosophy, one relevant to us all.

**Marine Corps Values** United States Marine Corps 2005 The User's Guide to Marine Corps Values is to be used as a tool to help ensure that the values of the Corps continue to be reinforced and sustained in all Marines after being formally instilled in entry level training. This document is a compendium of discussion guides developed and used by Marine Corps formal schools. The guides are part of the formal inculcation of values in young Marines, enlisted and officer, during the entry level training process. This guide is designed to be used as a departure point for discussing the topics as a continuation of the process of sustaining values

*Downloaded from*  
[museums.marinet.lib.ca.us](https://museums.marinet.lib.ca.us)  
*on June 29, 2022 by guest*

within the Marine Corps. The User's Guide also serves as a resource for leaders to understand the "talk" and the "walk" expected of them as leaders. New graduates of the Recruit Depots and The Basic School have been exposed to these lessons and expect to arrive at their first duty assignments and MOS schools to find these principles and standards exhibited in the Marines they encounter. Leaders must remember that as long as there is but one Marine junior to them, they are honor bound to uphold the customs and traditions of the Corps and to always "walk the walk and talk the talk." We are the "parents" and "older siblings" of the future leaders of the Marine Corps. America is depending on us to ensure the Marines of tomorrow are ready and worthy of the challenges of this obligation. Teaching, reinforcement, and sustainment of these lessons can take place in the field, garrison, or formal

school setting. Instructional methodology and media may vary depending on the environment and location of the instruction. However, environment should not be considered an obstacle to the conduct or quality of the instruction. This guide has been developed as a generic, universal training tool that is applicable to all Marines regardless of grade. Discussion leaders should include personal experiences that contribute to the development of the particular value or leadership lesson being di

### Social Usage and Protocol

### Handbook Department of the

Navy 2001-06-15 Members of the naval service will find that at all points in their careers they can expect to be involved to some extent in the planning and execution of official ceremonies and social events. Protocol is a code of established guidelines on proper etiquette and precedence which, when followed, lays the foundation for a successful event.

From this foundation, the host

should consider the facets which make a particular situation unique, and from there, use imagination to design a memorable occasion. The most important consideration in planning should always be the comfort of one's guests. A clever host/hostess is able to reach a proper mixture of protocol and common sense that will enable guests to enjoy themselves completely. If this is accomplished, an event is truly successful.

*Warfighting* Department of the Navy 2018-10 The manual describes the general strategy for the U.S. Marines but it is beneficial for not only every Marine to read but concepts on leadership can be gathered to lead a business to a family. If you want to see what make Marines so effective this book is a good place to start.

**Grayisms** Paul Otte 2014-11-10

Grayisms are recurring statements made by General Alfred M. Gray, Jr. USMC (Retired) who served as the 29th Commandant of the Marine Corps, a member of the Joint

Chiefs of Staff, and as such, before his retirement in 1991 a military advisor to Presidents Ronald Reagan and George H. W. Bush. Many believe General Gray transformed the Marine Corps during his 41 years of service with his unique form of leadership. As a visionary, he is credited with having prepared the Marine Corps for the 21st Century.
