Nonprofit Board Member Responsibilities

Ten Basic Responsibilities of Nonprofit Boards

1. Providing relevant information: Boards must provide their directors with accurate and relevant information about the organization's operations, strategy, and finances. They must also ensure that the organization is fulfilling its mission.

2. Addressing conflicts of interest: Boards must ensure that their directors do not have conflicts of interest that could affect their decision-making. They must also ensure that the organization avoids conflicts of interest.

3. Monitoring the organization's performance: Boards must monitor the organization's performance and ensure that it is meeting its goals. They must also ensure that the organization is operating within its budget.

4. Ensuring compliance with laws and regulations: Boards must ensure that the organization is complying with all relevant laws and regulations. They must also ensure that the organization is maintaining good corporate governance practices.

5. Protecting the organization's assets: Boards must protect the organization's assets and ensure that they are used efficiently and effectively. They must also ensure that the organization is maintaining good internal controls.

6. Overseeing the appointment of officers: Boards must oversee the appointment of officers and ensure that they are qualified and capable of performing their duties.

7. Adhering to the organization's bylaws: Boards must adhere to the organization's bylaws and ensure that they are followed by all directors and officers.

8. Conducting meetings: Boards must conduct meetings regularly and ensure that they are held in a timely and effective manner.

9. Filing timely reports: Boards must file timely reports with the relevant authorities and ensure that they are accurate and complete.

10. Ensuring the organization's independence: Boards must ensure that the organization is independent of its donors and other contributors. They must also ensure that the organization is maintaining good relationships with its stakeholders.
